Safety You Can See

Warning... Just A Sign May Not Be Enough!

A safe workplace can require more than just a warning sign. Human nature being what it is, people sometimes ignore the message and walk right into trouble. Visual warnings are an excellent alternative to mark any area with bold statements of safety.

Visual warning products help you safely and boldly mark your facility at the point of need. Choose from barricades, floor stands, warning stakes and a wide variety of specialty tapes available in bright colours, patterns and durable material. Visual Warning products will help your facility become a Visually Instructive Plant.

HEAVY DUTY FLOOR STANDS

These versatile, moveable stands can be used as a temporary barricade or as a stand to prominently display your message. Large, heavyweight stands can be filled with sand for more stability. Style C has slots to allow sand bags.

TALL FLOOR STAND SIGNS

These durable white corrugated plastic stands measure 450 x 1000mm and have a built-in locking mechanism so they will stand up until it's time to be stored. Unlike other floor stands, the Tall Floor Stand Signs have a unique slot on each side to hold 300 x 400mm signs, so you can change messages as needed. Choose from eleven stock wordings or we can make signs with your own wording using the standard Caution layout. Sign made of thin Polypropylene.

Interchangeable signs simply slide into built-in slots on each side of stand.
