**Identify & Warn of Dangerous Goods**

## Identify dangerous goods on your site

If your workplace or worksite uses any type of hazardous substance (oil, fuel, chemicals, gases); stores any type of chemical for use or re-sale (paint, aerosol sprays, cleaning chemicals, pesticides); handles or transports dangerous goods; creates wastewater, sediment or other substances that can pollute waterways, you are required by law to control these activities to ensure the protection of the environment. Failure to do so can lead to heavy fines, criminal prosecutions and regular audits to follow up on compliance levels.

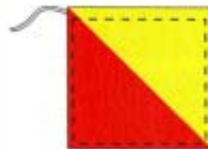

Legislation requires all sites storing and/or transporting dangerous goods must display adequate signage warning of the types of chemicals on site. Brady offers the widest range of Hazchem and Hazardous Substance signage. If we don't have what you want, we can custom make a sign to suit your needs. We also supply everything you need to help prevent and clean up any accidental spills that may occur. Check out the regulation fold out for more compliance and regulation information.

## VEHICLE & TRUCK IDENTIFICATION SIGNS

Heavy Vehicle Signage can vary from state to state. Although Brady makes every attempt to ensure your heavy vehicle signage complies nationally, we recommend that you consult with your local Roads and Traffic Authority to ensure you order the correct signage for your application.

## FLIP-FILE PLACARD

Includes fifteen legends so you're always prepared for the next load. "Flip" through until you display the legend you need. Heavy duty construction. Weather tested paint stays bright, resists chipping. Stainless steel rivets and hinges resist rust and corrosion.

Legends are:  
• Dangerous Goods  
• Flammable Liq 3  
• Corrosive 8  
• Oxidizing 5.1  
• Toxic 6

• Flammable Gas 2  
• Non-Flam/Non-Toxic Gas 2  
• Explosive 1.1  
• Toxic Gas 2  
• Flammable Solid 4  
• Misc. 9

• Please Drive Safely  
• Dangerous When Wet 4  
• Spontaneously Combustible 4  
• Organic Peroxide 5.2

Part Number	Description	Price (ex GST)
876965	Australia	\$135.00
833256	New Zealand	\$165.00

## WARNING TRIANGLE KIT

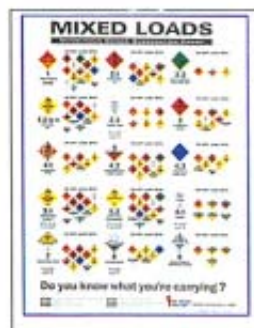

The Emergency Warning Triangle has red reflectors for both day and night visibility. The base is weighted for stability in high winds. Each kit contains three triangles in a double moulded plastic carrying case. Triangle sides are 42cm.

Part Number	Price (ex GST)
844188	\$87.50

### MIXED LOADS POSTER

Part Number	Material	Price (EX GST)
842215	660x490mm Laminated	\$47.50

### TRUCK PACK PLACARD KIT

A must in every cab. Contains two each of the following 270mm x 270mm or 250 x 250mm polypropylene placards:

- Toxic 6
- Flammable Liquid 3
- Flammable Solid 4
- Organic Peroxide 5.2
- Flammable Gas 2
- Non-Flammable Gas 2
- Oxidizing Agent 5.1
- Dangerous Goods

### PLACARD KIT & HOLDER

Part Number	Size (mm)	Description	Price (EX GST)
833783	270x270	Truck Placard Kit	\$139.00
842822	250x250	Truck Placard Kit	\$129.00
876969	270x270	Placard Holder	\$19.90
842823	250x250	Placard Holder	\$17.50

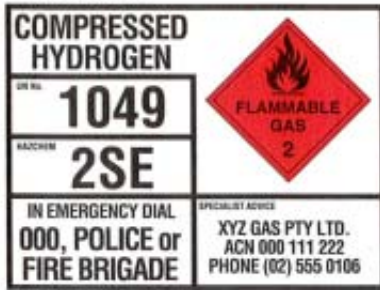

Appropriate Dangerous Goods diamonds must be displayed adjacent to every major entrance to every building and to every storage area where D.G.'s are stored. An outer warning notice (HAZCHEM) must also be displayed at every vehicle access to premises.

# HAZCHEM CUSTOM SIGN ORDER FORM

## 1. SELECT SIGN LAYOUT

Nominate in tick box which sign layout shown below you require. NOTE: Be sure to indicate your state if applicable. *One sign per form.*

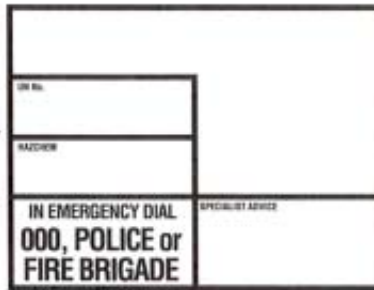

### TRANSPORT

Sample layout 600 x 800 steel

## 2. SPECIFY INFORMATION

Specify on the blank template below the variable information you require for your sign.

Specify your required information on blank template above, (chemical name, UN.No., hazchem code, advice).

## 3. SELECT CLASS DIAMOND(S)

Tick the appropriate class diamond(s) you want to appear on your sign. (NOTE: for the multiple class sign, place a numeral by each to indicate sequence - left to right - that they should appear).

## MSDS TRAINING POSTER

Colourful graphics and brief explanations help employees become familiar with the different sections found on MSDS's. Printed on a high quality paper with a clear varnish finish, the poster measures 590mm x 925mm. An excellent training tool for employers.

- Helps employees use and understand MSDS's.
- Has a safety-striped border for quick visibility.
- Promotes safety awareness and importance of MSDS's.

Part Number	Size mm	Quantity Per Pkg	Price (EX GST)
58675	590 x 925	1	\$42.50

## OUTDOOR MSDS CENTRE

In the event of an emergency, MSDS are readily available to response teams if entrance to a building is not possible. The centre should be placed in an area of high visibility. The Centre is made of durable outdoor grade material which will withstand harsh winters. Four mounting holes.

Part Number	Size mm	Price (EX GST)
09650	180(D) x 380(W) x 400(H)	\$258.00

Binders sold separately see below.

## MSDS TRAINING POSTER

Designed to store emergency information needed by Emergency services in case of fire. Lock compatible with 003 emergency services key. Dimension: 500H x 400W x 130D

Part Number	Description	Price (EX GST)
845557	Red Zinc Coated Steel with Piano Hinges	\$519.00

## MSDS BINDER HOLDER

The MSDS Communication Station is an easy, simple and highly visible way to make MSDS binders and information available in the workplace. Ideal for placement in laboratories, office areas or on the shop floor. Units sold individually. Large enough to hold two 3-ring binders. Extra large bins hold employee handbooks. (Binders & hand books sold separately).

Part Number	Size mm	Price (EX GST)
58620	600(W) x 750(H) x 100(D)	\$159.00

Binders sold separately below.

## MSDS STATION

High quality vinyl binder protects MSDS's and is safety-striped for high visibility. Maintains and neatly organise up to 400 typical A4 MSDS's. Each Notebook Binder comes with a Free MSDS Users Guide.

**MSDS Users Guide** features colourful illustrations on the front and explanations on the back (one sheet). Great employee handout to help meet MSDS training requirements. Users Guide is laminated. Can be used as a cross training reference with the MSDS Training Sheet.

Part Number	Size	Price (EX GST)
58678	A4 Holder	\$32.50

POLY 450x300 835177

POLY 450x300 835181

Brady's range of SpillPaks contain premium absorbents for maximum performance in any spill situation. Not only are they available in a range of sizes for various locations, they are conveniently colour coded to ensure you use the right SpillPak to clean up each spill. Each kit comes complete with an audit checklist so you can ensure you are prepared for spills every time.

**Use this as a guide:**

- **Maintenance** – to clean up non-aggressive liquids and chemicals, oil, grease and general spills.
- **Oil Only** – Specially designed to absorb oils, fuels and other non-aqueous (non-water) soluble liquids. Does not absorb water.
- **Chemical** – to clean up aggressive liquids and chemicals. Will also absorb all maintenance and oil spills but does not repel water

## ECONOMY SPILLPAK

Front line defence against small workplace spills. A value for money product that gives cost effective protection for vehicle and workshop based applications. Absorbs 20 - 30 litres.

Part Number	Description	Price (EX GST)
849034	Maintenance 30L	\$165.00
849036	Oil Only 30L	\$169.00
849035	Chemical 30L	\$189.00

No refills available for this kit.

**Kit Contents:**

- 3 - Socks 76cm dia. x 1.2m (852693)\*
- 15 - Pads 41 x 51cm (852691)\*
- 1 - Gloves (852699)\*
- 1 - Safety Goggles (852701)
- 1 - Disposal Bag & Ties (852700)
- 1 - Instructions for Use

## VEHICLE SPILLPAK

Perfect for trucks, vans and utes. Designed to fit in either the cab (behind seat) or in chassis mounted storage boxes. Useful for dealing with spills in transit. Absorbs 50 - 60 litres.

Part Number	Description	Price (EX GST)
852547	Maintenance 60L	\$359.00
852548	Oil Only 60L	\$369.00
852549	Chemical 60L	\$395.00

Refill Kits on Page 148

**Kit Contents:**

- 1 - Socks 76cm dia. x 3.66m (852694)\*
- 25 - Pads 41 x 51cm (852691)\*
- 2 - Pillows 46x 46cm (852695)\*
- 1 - Gloves (852699)\*
- 1 - Safety Goggles (852701)
- 2 - Disposal Bag & Ties (852700)
- 1 - Instructions for Use

## SMALL MOBILE SPILLPAK

Portable compact spill protection. Weatherproof wheeled containers that can be located immediately adjacent potential spill areas – either inside or outside. Absorbs 100 - 120 litres.

Part Number	Description	Price (EX GST)
852533	Maintenance 120L	\$615.00
852557	Oil Only 120L	\$635.00
852561	Chemical 120L	\$685.00

Refill Kits on Page 148

**Kit Contents:**

- 2 - Socks 76cm dia. x 1.2m (852693)\*
- 1 - Socks 76cm dia. x 3.66m (852694)\*
- 50 - Pads 41 x 51cm (852691)\*
- 3 - Pillows 46x 46cm (852695)\*
- 1 - Coveralls XL (852696)
- 1 - Gloves (852699)\*
- 1 - Safety Goggles (852701)
- 3 - Disposal Bag & Ties (852700)
- 1 - Instructions for Use

## LARGE MOBILE SPILLPAK

Use in lubricating and dispensing areas, loading bays, flammable goods stores. Hold centrally to emergency response. Absorbs 250 - 300 litres.

Part Number	Description	Price (EX GST)
852562	Maintenance 300L	\$1165.00
852564	Oil Only 300L	\$1250.00
852566	Chemical 300L	\$1450.00

Refill Kits on Page 148

**Kit Contents:**

- 6 - Socks 76cm dia. x 1.2m (852693)\*
- 3 - Socks 76cm dia. x 3.66m (852694)\*
- 125 - Pads 41 x 51cm (852691)\*
- 6 - Pillows 46x 46cm (852695)\*
- 2 - Coveralls XL (852696)
- 2 - Gloves (852699)\*
- 2 - Safety Goggles (852701)
- 6 - Disposal Bag & Ties (852700)
- 1 - Instructions for Use

\*Cover-alls included only in small & large Spillpaks.

\*Abbreviate: To order individual components specify M for oil only, C for chemical, M for maintenance at the end of the part number shown. ex: 852693M

## SPILL CLASSIFIER KIT

Add this handy spill classifier kit to your Brady SpillPak to ensure you are deploying the right spill kit to every spill. Imagine the expense of using a chemical absorbent to clean up a minor grease or water spill, or using a maintenance kit on a oil spill on water. Identify the spill and save time and money. Choose from two kits to identify highly toxic chemicals (acids, oxidizers, Fluoride, Petroleum, Iodine, Chlorine, Bromide) or general wastewater (Petroleum, Hydrogen Sulphide, Nitrate, Nitrite, Fluoride).

Part Number	Description	Price (EX GST)
849039	Chemical Classifier Kit	\$195.00
849043	Wastewater Classifier Kit	\$195.00

## MULTI-PURPOSE ABSORBENT

This multi-purpose absorbent can be used for four separate applications – As a pad, wipe, roll or sock. The unique 3-ply construction includes a tough bottom layer for extra strength and extra long usage. Perforations allow you to use only what you need.

Absorption Capacity: 86L Per roll. Size: 38cm x 46m.

Perforations: Every 46cm and TWICE up the middle allowing three wipes.

Part Number	Pack Qty	Price (EX GST)
849038	1	\$285.00

As a Pad...

As a Sock...

As a Wipe...

Or as a Roll...

## SPILL KIT LOCATOR SIGNS

Ensure your employees know where to find spill control kits and or products in the event of an emergency. Polypropylene and in one size only – 600 x 450. Part Number 850967 has blank spaces where you can enter information about the type of kit stationed and when the last maintenance occurred.

850966

850965

850964

850967

## SPILL KIT REFILLS

Ensure you always refill the used contents of your spill kit. These kits are designed to refill Brady's SpillPak range on the opposite page and are conveniently colour coded to identify what spills they can be used on. Use these refill packs to refill Brady Spillpaks on page 147.

Part Number	Description	Price (EX GST)
