

Put an end to parking bay poaching. This pivoted bollard provides orderly tenant parking and protects your bay from unauthorised access. The galvanised, powder coated bollard is constructed from tough 65mm square steel post. In the unlocked position the total height is only 90mm allowing vehicles to drive easily over it. Its internal locking system cannot be tampered with. The base is made from rust proof, high tensile aluminium alloy. 4 x 12mm masonry anchors are required for installation of this 735mm tall bollard. Keyed alike and Master Key systems available.

BRADY LINE MARKING PAINT

Each 1.25 litre bottle contains paint made from a unique polyurethane and acrylic combination for high impact, abrasion UV-resistance and excellent adhesion. Dry to light traffic in 35 minutes and to heavy traffic in 60 minutes. Each can of paint will do an average of approximately 200 metres. Rough or absorbent surfaces will not cover as much.

Part Number	Product Description	Price (EX GST)
72798	Brady Line Marking Paint White	\$84.90
72799	Brady Line Marking Paint Yellow	\$84.90

Heavy duty paint in large 1.25ltr containers
(for use with Brady Paint Marker only).

CUSTOM CAR PARK STENCILS

Create stencils for your car park that say exactly what you want them to say. Available in letter sizes from 25mm to 300mm, the tough polypropylene construction means that they can be used again and again. If logos or pictos are required they will need to be quoted separately by our quotes department. Brady can custom make any text stencil or even with logos or pictograms. Contact your local distributor for a prompt quote.
